- Smooth frequency response
- Power rating: 30W to 64W RMS into 8Ω
- Shallow depth
- Accessories: Cutout template, installation bracket, aluminum grill
- RoHS compliance
- UL plenum certification

BENEFITS

EASY TO INSTALL

Yarden C speakers make meeting tight project deadlines easier with simple dog-ear installation.

FLEXIBLE FOR A VARIETY OF ENVIRONMENTS

Install just a few speakers in a boardroom with 8Ω or an array of speakers with one amplifier in a hotel lobby (with 70V/100V tapping).

SUPERIOR SOUND QUALITY

Yarden C closed-back speakers offer the superb sound quality you need for a wide range of small or large ceiling installations. Each speaker complies with Kramer's rigorous quality standards.

UL PLENUM CERTIFICATION

Participate in any public tender/bid or private project where UL plenum certification is mandatory.

RUST-RESISTANT FOR HUMID ENVIRONMENTS

With rust-resistant aluminum grills, Yarden C speakers are suitable for humid environments such as workout facilities, indoor pools and saunas.
