

Yarden 8-CH

8-Inch, High-Power, 2-Way Closed-Back Ceiling Speakers

The Yarden 8-CH High-performance Directional Closed-Back speaker features improved speech intelligibility and musical clarity in difficult acoustics venues and high-ceiling rooms. The speaker focuses specific frequencies and creates a narrow listening area directly under the speaker. It features a multi-tap power transformer for selecting 8 Ω (bypassing the transformer) or 70V/100V power settings that are suitable for an array installation.
